

7 EASY IDEAS TO RETAIN EMPLOYEES

SUPER SIMPLE, EXTREMELY EFFECTIVE

1

FIND/ASSIGN MENTORS

Show your employees you are investing in their personal growth and development.

ASK EMPLOYEES TO BRAINSTORM

The insights and feedback are invaluable, and your employees will know you value their opinions!

2

3

DELEGATE AND EMPOWER

Help ease the workload burden while showing your employees you trust and believe in them and they are important team members.

REMEMBER: PEOPLE LEAVE MANAGERS

Don't forget to equip your supervisors and managers with tools to help them maintain their teams!

4

5

REWARD EFFORTS, NOT JUST RESULTS

Show your appreciation along the way with meaningful recognition. The Reward Builder platform simplifies it & stretches your budget: your brand, your personal message, multiple methods of delivery, and no fees whatsoever. See below to get your complimentary certificate.

6

ALLOW JOB ROTATIONS

Create redundancy, increase everyone's skills, ultimately drive efficiencies, and keep the workplace interesting!

7

USE ANONYMOUS SURVEYS

When employees know they can be honest without retribution, the insights can make all the difference between success and losing valued performers.
